Welcome to Benefits Enrollment

Every Benefit provides value. For example, medical helps you get and stay healthy, and disability provides a financial safety net if the unexpected happens. To get the total value from your benefits you should understand them and how they can work together, to help support your health and financial well-being.

When you enroll, you need to make some important decisions to help you get the greatest value from your benefits in 2025.

- 01 Plan it** – Set aside time to review and select your benefits. Think about the coverage you and your family will need.
- 02 Own it** – Invest time to use online resources to choose each benefit wisely. Selecting the right benefits for your situation now can really add up in the long run.
- 03 Achieve it** – Make the most of your benefits. Take advantage of preventive care checkups and special programs and resources to help manage your health and expenses.

Virgin Voyages does allow you to add spouses and domestic partners to your benefits, however, if your spouse/domestic partner's employer offers medical coverage and you choose to provide him/her coverage under a Virgin Voyages plan, you will be responsible for the bi-weekly cost associated with having them on the plan. The surcharge is deducted from your paycheck on a pre-tax basis. The surcharge does not apply to dental or vision plans, but only medical.

Dependent Child: Eligibility & Coverage

How does dependent child eligibility & coverage work?

They can be covered until the end of the month following their 26th birthday or as per state law for dependent coverage, i.e. State of Florida allows for dependent coverage up to the age of 30 providing they meet the qualifying criteria. Let's Get Medical

Healthcare lingo can be confusing. Check out some common terms before you start.

Premium

What you pay for coverage each biweekly paycheck-no matter what.

Deductible

The amount you're responsible for paying before co-insurance begins.

Health Savings Account (HSA)

A type of tax advantage health account that's funded both by you and Virgin Voyages to help with your deductible. You are eligible to enroll in the HSA if you are enrolled in the HSA OAP plan.

Out of Pocket Maximum

The most you are required to pay for covered medical expenses in a calendar year, including your deductible, copays, and co-insurance. Note: It doesn't include the cost of your bi weekly premiums.

COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) allows you and/or covered dependents to extend health, dental and/or vision coverage beyond the date on which eligibility would normally end. You pay the full premiums plus a 2% administrative fee for this continuation coverage.

Flexible Spending Account (FSA)

An arrangement enabling Crew members to contribute pre tax dollars from their paycheck into an account and be reimbursed for eligible health care and dependent care expenses under IRS rules.

Evidence of Insurability

(EOI) is an application process in which you provide information on the condition of your health or your dependent's health in order to be considered for certain types of insurance coverage.

Copay

The fixed fee you pay to your doctor at the time of service.

Co-insurance

Your share of your service cost after you've met your deductible.

High-Deductible Health Plan (HDHP)

The type of medical plan with a higher deductible than a traditional insurance plan, but with a bi weekly premium that's usually lower.

In-Network vs. Out-of-Network

We have lower costs with negotiated discounted rates from providers through Cigna, who are classified as in network. It's best to visit in network providers because you'll pay less for your care. Out of network providers can bill the balance over and above whatever the insurance doesn't pay.

Formulary

A list of preferred, commonly prescribed prescription drugs.

Preferred Provider Organization (PPO)

A type of medical plan that offers a pre screened national network of providers physicians, hospitals, labs, and other medical professionals who have agreed to provide services at lower, pre negotiated rates.

Guaranteed Issued

Designated life insurance policy amount is guaranteed regardless of health. Does not require Evidence of Insurability.

PHARMACY PROGRAMS

Cigna 90 Now (HSA and PPO) – You are able to fill 90-day prescriptions at a retail pharmacy in addition to the mail order option. To fill a 90-day prescription at a retail pharmacy, a Cigna 90 Now pharmacy must be used. The Cigna 90 Now pharmacy list is extensive but does not include all network pharmacies. Most notably, the network includes CVS but does not include Walgreens. For 30-day prescriptions, you can continue to use any network pharmacy.

Clinical Day Supply (HSA and PPO) – For new specialty medications, the initial supply is limited to 15 days to ensure the new prescription will be well tolerated. Once it is determined the medication is well tolerated, Cigna will assign a supply limit of 30 or up to 90 days based on the medication.

SaveOnSP (Only applies to the PPO) – This program applies only to crew members enrolled in the PPO plan. For certain medications, Cigna will take advantage of manufacturer assistance dollars to reduce your copay down to \$0. Cigna will coordinate with you when this program is available, and you will need to enroll in the program to take advantage of these savings. So be sure to engage with Cigna on this program if contacted.

Health Savings Account (HSA)

What's better than saving for things that keep you healthy?

A Health Savings Account (HSA) is a tax advantaged personal savings account to pay for qualified healthcare related expenses now and into retirement. The HSA is available only to Crew members who are enrolled in the CIGNA HSA High Deductible Health Plan (HDHP). HSA dollars can be used to pay for out of pocket medical, dental, vision and prescription.

The funds you contribute to the account are not subject to federal income tax at the time of deposit. Unlike a flexible spending account (FSA), funds in an HSA roll over and accumulate year after year if not spent. Your HSA is owned by you and, as a result, is portable. In other words, ownership of your HSA balance is not affected by a change of jobs.

Who is eligible for HSA?

Because HSA's offer a federal tax advantage, the IRS has rules about who is eligible to open or contribute to them. You are eligible for an HSA if you meet all of the following conditions:

CIGNA HSA High Deductible Health Plan (HDHP) is the only medical plan in which you are enrolled; you aren't enrolled in Medicare, Medicaid, TRICARE, TRICARE for Life or a military benefit program; you aren't a dependent on another person's tax return or covered as a dependent under your spouse's plan (e.g. PPO, POS, or HMO).

How do I access my HSA money?

Once you have opened the HSA, you will automatically receive an HSA Bank debit card. Use this card at doctors' offices, pharmacies and drug stores. You do not need to file claims to access your money, but you are encouraged to save your receipts in the event you are audited by the IRS. You can access/manage your HSA at www.hsabank.com.

How much can I contribute to my HSA?

The IRS maximum for 2025 is \$4,300 for Crew member only and \$8,550 for Crew Member + 1 or more. If you are age 55 or older, you may contribute an additional \$1,000 annually in catch up contributions.

Contributions

Virgin Voyages will contribute to your HSA account as per chart below.

	Crew Member	Crew Member +1 or More
IRS annual max	\$4,300	\$8,550
Virgin Contribution	\$750	\$1,550
Your Max Contribution	\$3,550	\$7,000
Catch-up contribution (55 or older)	\$1,000	\$1,000

Start It.

After you enroll in the HDHP/HSA Plan, Cigna will automatically set up an HSA Bank account (through HSA Bank) on your behalf. You will receive a Welcome Packet from HSA Bank following their set up.

Build It.

Your contributions to your HSA are pre tax through payroll deductions (limits apply). You can change the amount you contribute at any time, but cannot exceed annual IRS limits.

Use It.

You can use the money in your HSA to pay for covered health care for you and your qualified dependents (such as deductibles and co insurance). Withdrawals from your HSA for qualified medical expenses are also tax free!

Grow It.

Unused money in your account will roll over to the next year. Your account will earn interest and grow over time. You may invest your HSA account through an investment account.

Keep It.

You always own the money in your HSA, including interest and other investment earnings. You can take the account with you if you are no longer employed at Virgin Voyages.

Flexible Spending Accounts (FSA)

Your Flexible Spending Accounts (FSA) are administered by Inspira Financial.

If you still have a balance in your FSA after December 31, 2024, you will have until March 15, 2025, to incur eligible expenses. Any remaining funds after March 31, 2025, will be forfeited.

Important dates to remember

Use Funds By: March 15

Submit for reimbursement By: March 31

FSAs are pre-tax benefit accounts designed to save you money on taxes to pay for eligible expenses. These accounts are subject to the IRS's "Use-It or Lose-It" rule.

If you currently participate in an FSA, your 2024 elections will not rollover. New elections for 2025 are necessary.

Health Care Flexible Spending Accounts

Virgin Voyages offers full purpose (HCFSA) and limited purpose (LHCFSAs dental and vision expense only) health care flexible spending accounts for crew members who are enrolled in the HDHP and elected an HSA plan. You have the option of selecting up to \$3,300 annually. You'll have access to the entire elected amount on the first day of the plan year.

Your eligibility to elect HCFSA or LHCFSAs depends on the following criteria:

- You can enroll in the HCFSA if you select the Cigna PPO plan.
- You can enroll in the LHCFSAs if you select the Cigna HDHP Choice Fund OAP HSA.
- If you waived medical coverage, you can only participate in the HCFSA.

Dependent Care Flexible Spending Account (DCFSA)

You have the option of selecting up to \$5,000 (\$2,500 for married crew members filing taxes separately) annually. DCFSA will reimburse a wide variety of eligible dependent care expenses for children aged 12 and under, or elder dependents. Access your account at www.inspirafinancial.com.

To review the list of eligible expenses for Health care and dependent care flexible spending accounts, go to:

[IRS Publication 502 https://www.irs.gov/pub/irs-pdf/p502.pdf](https://www.irs.gov/pub/irs-pdf/p502.pdf)

Commuter Benefits

Consider this benefit if you commute to work via mass transit (i.e., bus, train, or other public transportation), excluding Uber and Lyft. Commuter benefits allow you to set aside pre-tax dollars for qualified transit, vanpooling and parking expenses. Parking and Transit available for \$325 monthly.

2025 Crew Member Contributions

Your portion of benefit plan costs are on a pre-tax basis. This means as long as certain guidelines are followed you never pay taxes on those contributions. Since your contributions are deducted from your pay before taxes are calculated, this lowers your taxable income and therefore lets you bring home more money.

All contributions are deducted from your check on a bi-weekly basis (26 pay periods).
